Front Load

Standard's BCX Series Exchangers were designed to help self service business owners maximize profits, and provide more convenience for their customers. These Bill & Coin Exchangers essentially provide the same convenience as attended businesses - change higher denomination bills (like \$10's & \$20's) into lower denomination bills (like \$5's) PLUS some coinage for use in your services. The BCX2000 machines have two steel coin hoppers, that would allow you to dispense a combination of dollar coins and quarters or tokens and quarters. Now you can break tens & twenties without hiring full-time or after-hours attendants. The BCX Series machines feature heavy-duty cabinet construction with high security crank locks to help protect your investment.

The BCX2000 Changers feature:

- Front Load configuration for Bill Exchange
- Pyramid™ Bill Acceptor with 500 bill stacker (other acceptors available)
- Standard UniNote™ Bill Dispenser - holds from 750 (used) up to 1,000 (new) bills
- (2) Modular Standard Smart Hoppers - holds 6,400 quarters (\$1,600 capacity)
- Heavy gauge steel cabinets with solid welded seams (no spot welds or rivets)
- Two Crank Locks with Medeco™ plugs
- High gloss powder-coated enamel paint finish with applied Lexan™ graphics
- Limited Two Year Warranty & ETL Certified in accordance with UL & CSA standards

Height	Width	Depth	Shipping Weight	Changes
