

GUARDIAN XP-BE

CASHLESS CAR WASH BASIC ENTRY STATION

The **GUARDIAN XP-BE** is a cashless pay station and entry system for car wash. The GXP-BE can handle card entry (such as fleet, gift and loyalty cards), credit card processing via dial-up or hi-speed internet processing, and POS code-based entry via durable metal keypad.

- **Heavy-Duty Steel Cabinet design, with solid welded seams and angled stand. Finished in enamel, powder-coat painted finish (shown).**
Also available in Stainless Steel!!!
- **LED Accent lights provide excellent visibility during evening and night hours**
- **Sunlight-resistant LCD Display for user instructions and prompts. Also used in programming and troubleshooting.**
- **Four (4) durable, metal Wash Package Selection Buttons - with LED light ring for better visibility.**
- **(Optional) Weatherproof, Bi-directional Mag Stripe Card Reader for use with Credit Card and/or Third Party Gift, Fleet and Loyalty card programs**
All Credit Card Processing meets PABP & PCI-compliance requirements!
- **Durable, Metal push-button keypad for code input and programming**
- **(Optional) Environmental Climate Control Package - provides a cooling fan for warmer temperatures and a thermostatically-controlled strip heater for colder weather**
- **Cam Lock on back access door. Optional Security Bar is available for added security.**
