MC720-DA

"Dual Rhino"

The Best Technology & Construction in a Low-Cost Solution

Standard Change-Makers introduces the **NEW** Modular "Rhino" Series Change machines, a big step forward our high security, low-cost changer solutions. The MC700 Series combines Standard's high quality cabinet and component construction with our new *Smart Hopper* technology. All this in a simple-function, low cost solution!

The Modular Series' *Smart Hopper* Technology allows programmability in the field without the use of any handheld device. Further, MC720-DA "Dual Rhino" features our exclusive Dual Redundancy feature.

MODULAR "Rhino" SERIES FEATURES:

Front & Rear Load Models

Bill Acceptor(s): Pyramid Technologies® APEX-5000 Series
(Coinco®, CashCode® & Mars® available - MDB Only)

Bill Stacker Capacity: 500 Bills (std) per Bill Acceptor
(1000 bill stackers available)

Hopper(s): Galvanized Steel Construction with Tilting Base for easy Hopper Dump operation, without disconnecting power
